

Help Ensure Every Veteran Is Remembered

Supporting the Sunset Hill Cemetery District Veteran Grave Medallion Program

Fundraising Goal: \$50,000

Every veteran has a story of service. Every veteran answered the call to serve our nation. Every veteran deserves to be remembered.

At Sunset Hill Cemetery District, we believe our gratitude for those who served should endure long after their military service has ended. We are proud to launch our new **Veteran Grave Medallion Program**—a permanent initiative dedicated to recognizing and honoring the men and women who served our country.

Our vision is simple: **Every veteran laid to rest at Sunset Hill Cemetery will receive a permanent bronze veteran grave medallion.** These medallions provide lasting recognition of military service while helping volunteers identify veteran graves during our annual Memorial Day Flag Program.

Through this GoFundMe campaign, we are asking our community to help make that vision a reality. Donations will be used exclusively to provide and install veteran grave medallions for veterans entrusted to our care.

Families are also invited to sponsor their loved one's veteran grave medallion for **\$40** through the District Office. By sponsoring a loved one's medallion, families not only create a lasting tribute to their veteran, but also help make it possible to provide medallions for veterans whose families are no longer present or are unable to participate in the program. In this way, each sponsorship helps extend the program's reach so that **every veteran** can receive the recognition they deserve.

Whether you sponsor a loved one's medallion or make a donation through this campaign, your generosity helps preserve the legacy of those who served our country and ensures they continue to be remembered for generations to come.

Our goal is to raise **\$50,000** to establish this program and ensure that **every veteran** interred at Sunset Hill Cemetery receives the lasting recognition they earned through their service.
